- iv. Miscellaneous

3. Design NOC for Other type of works

Required NOC documents (*.Pdf, *.Jpg)

1. Covering Letter (Project & Work description)
2. Site affection / Master Plan

Required Drawings (Auto cad format only *.dwg)

- i. Proposed Scope of work layout with DLTM coordinates
- ii. Proposed Scope of work cross section layout
- iii. Superimposing of existing Empower services along with the proposed works and its horizontal, vertical clearance.
- iv. Miscellaneous

4. Construction NOC for Shoring / Piling / Excavation NOC

Required NOC documents (*.Pdf, *.Jpg)

Other Types of NOC Requirements (E-NOC)

1. Covering Letter (Project & Work description)
2. Site affection
3. Approved Design NOC with stamped drawings.

Required Drawings (Auto cad format only *.dwg)

- i. Proposed Shoring / Piling / Excavation Layout with DLTM coordinates
- ii. Proposed Shoring / Piling / Excavation cross section layout
- iii. Superimposing of existing Empower services along with the proposed works and its horizontal, vertical clearance.
- iv. Miscellaneous

5. Construction NOC for Other type of works

Required NOC documents (*.Pdf, *.Jpg)

1. Covering Letter (Project & Work description)
2. Site affection / Master Plan
3. Approved Design NOC with stamped drawings.

Required Drawings (Auto cad format only *.dwg)

- i. Proposed Scope of work layout with DLTM coordinates
- ii. Proposed Scope of work cross section layout
- iii. Superimposing of existing Empower services along with the proposed works and its horizontal, vertical clearance.
- iv. Miscellaneous

6. Construction NOC for Bore Logs / Soil Investigation

Required NOC documents (*.Pdf, *.Jpg)

1. Covering Letter (Project & Work description)
2. Site affection

Required Drawings (Auto cad format only *.dwg)

- i. Proposed Bore Log location with DLTM coordinates
- ii. Superimposing of existing Empower services along with the proposed works and its horizontal, vertical clearance.
- iii. Miscellaneous

Other Types of NOC Requirements (E-NOC)

7. Construction NOC for Dewatering Works

Required NOC documents (*.Pdf, *.Jpg)

1. Covering Letter (Project & Work description)
2. Master Plan

Required Drawings (Auto cad format only *.dwg)

- i. Proposed dewatering layout with DLTM coordinates
- ii. Superimposing of existing Empower services along with the proposed works and its horizontal, vertical clearance.
- iii. Miscellaneous

8. Construction NOC for Fencing Works

Required NOC documents (*.Pdf, *.Jpg)

1. Covering Letter (Project & Work description)
2. Site affection Plan

Required Drawings (Auto cad format only *.dwg)

- i. Proposed fencing and its foundation layout with DLTM coordinates
- ii. Proposed fencing and its foundation cross section details
- iii. Superimposing of existing Empower services along with the proposed works and its horizontal, vertical clearance.
- iv. Miscellaneous

9. Construction NOC for Site Mobilization Works

Required NOC documents (*.Pdf, *.Jpg)

1. Covering Letter (Project & Work description)
2. Site affection Plan

Required Drawings (Auto cad format only *.dwg)

- i. Proposed scope of works layout with DLTM coordinates
- ii. Proposed scope of works elevation detail / cross section details
- iii. Superimposing of existing Empower services along with the proposed works and its horizontal, vertical clearance.
- iv. Miscellaneous
